# ABOUT US

Airsada is the pioneer business aviation company in Turkey. Airsada providing flight operations, flight crew, aircraft maintenance, regulatory compliance, aviation accounting, insurance coordination and administration as well as pre delivery assistance.

# PRIVATE JET

You can fly where you want, when you want, without having your trip revolve around flights schedules or delays. Airsada provides personalized aircraft charter services. Fly with Airsada and fly with privacy and security.

# AIRLINE CHARTER

Tourist flights, flights for groups, dealer meetings, sports events. In short, whatever the purpose is, as Airsada is at your service for a comfortable flight with our experienced staff.

# AIR AMBULANCE / MEDEVAC SERVICES

**Well-being is our priority**

Airsada is always at your service with its fully ICU-equipped Air Ambulance, together with an experienced team to deal with all your evacuation and repatriation requests.

**Our team is capable of organising the following tasks upon request:**

- Issuance of a "Fit to Fly" report for the patient.
- Medical facility referral.
- Assistance with visa, customs and immigration requirements.
- Bed-to-bed transfer.
- Ground ambulance organisation on departure and arrival.
- Medical follow-up services.

**High Level Care**

**Medical Doctor**

**Fully Equipped**
